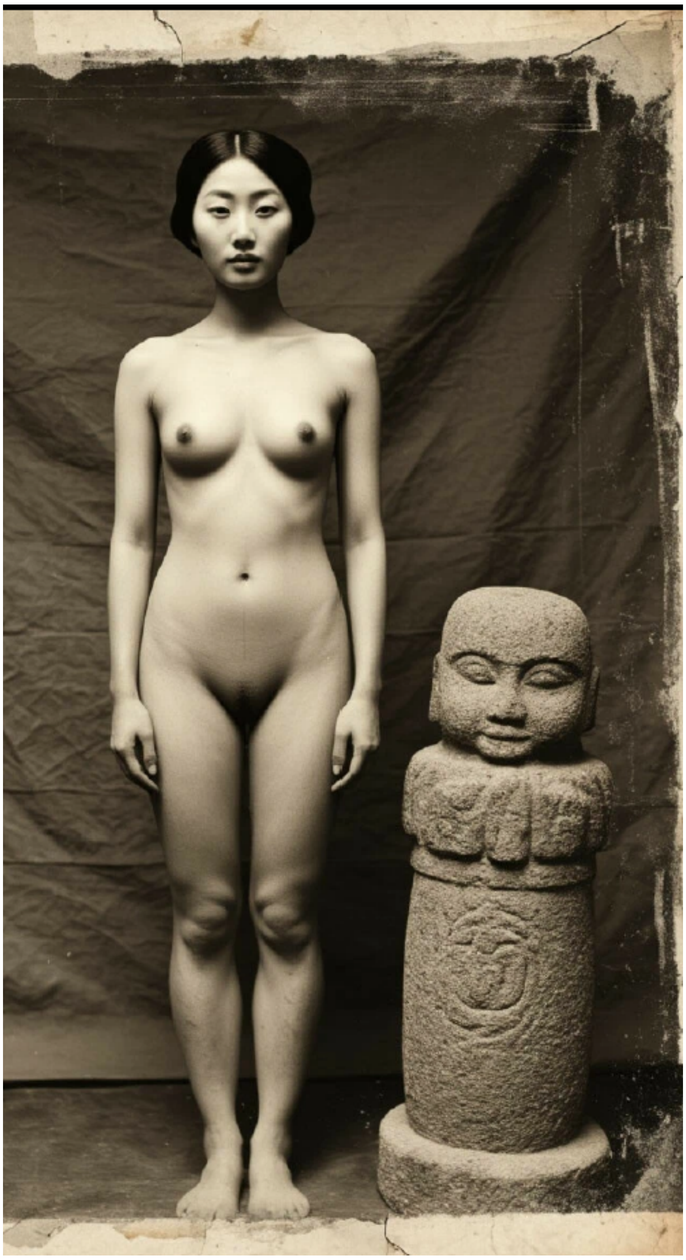
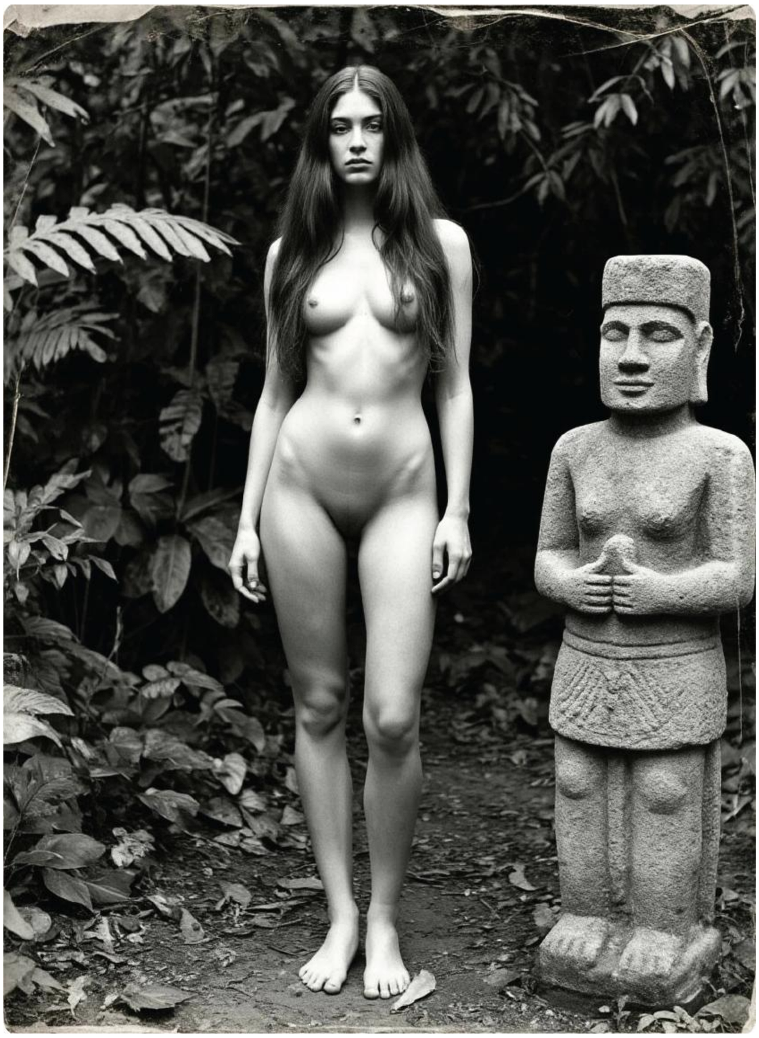
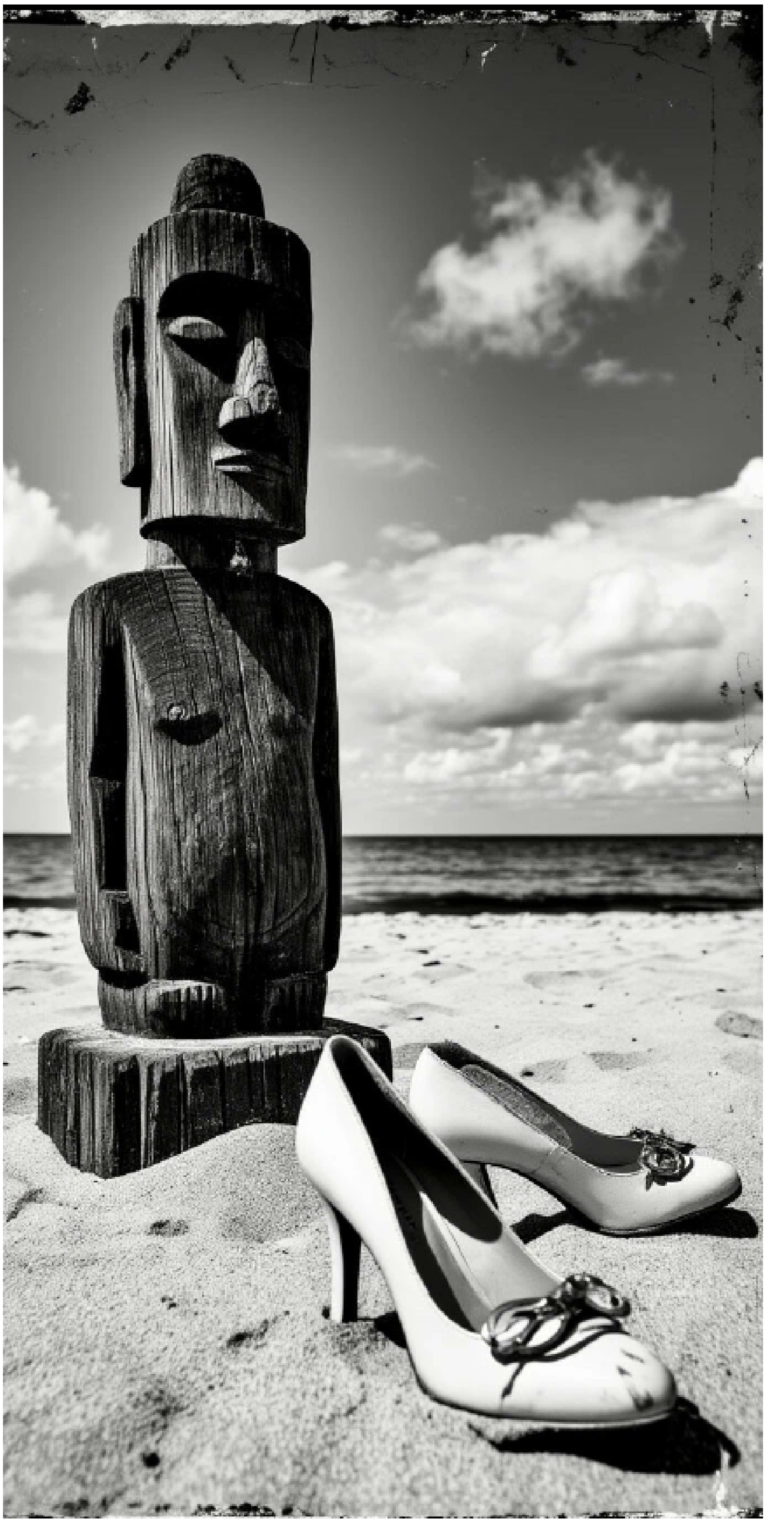
Woman is the divine







I don't imbue these photographs with any meaning.
I just enjoy the way a woman looks.
They are an integral and primary part of nature.

TEST LANCIA VALUE.

Lancia has value unique among automobiles in its class. Value inherent in every aspect of this beautiful car — in structure, in appointments, in performance. A 70-year history of engineering innovation plus classic Italian design has created an automobile that combines superior handling and roadability with more than a taste of luxury. A World Rally Champion in 1972, 1974, 1975 and 1976, Lancia responds to the touch of experienced drivers. Rack and pinion steering, front wheel drive, fully independent suspension and 4-wheel disc brakes combine to give precision control for a great driving experience. And you can enjoy the comfort typical of far more expensive automobiles. You'll find Lancia is the intelligent alternative to overpriced and overrated luxury imports. Test Lancia value. Then test drive Lancia.

to overpriced luxury imports.
